

# **Mitzi S. Brammer Ph.D., CCC-SLP**

## **Associate Professor**

(314) 977-2480 or (314) 420-0668 [cell]

[mitzi.brammer@health.slu.edu](mailto:mitzi.brammer@health.slu.edu)

### **Research Interests**

Connections between language and literacy, collaborative/interprofessional practice, inclusive practices, autism spectrum disorder, student resilience

### **Degrees**

- |      |   |
|------|---|
| 2007 | PhD, Education-Curriculum and Instruction, University of Missouri - St. Louis, Missouri, United States  |
| 1988 | MSp, Speech-Language Pathology, Arkansas State University, Jonesboro, Arkansas, United States   |
| 1985 | BSE, Speech-Language Pathology (minor in Special Education) ( <i>magna cum laude</i> ), Arkansas State University, Jonesboro, Arkansas, United States |

### **Work Experience**

#### **2014 - Ongoing**

Associate Professor, Graduate Program Director, Saint Louis University, St. Louis, Missouri; Undergraduate courses taught: Introduction to Communication Sciences and Disorders, Foundations of Language, Speech and Language Development, Survey of Speech and Language Disorders, and Language Acquisition; Research Seminar; and Professional Issues in Communication Sciences and Disorders (Master's level course)

#### **2012 - 2014**

Online Instructional Team Leader, Concordia University-Portland, Portland, Oregon, 2014; supervised approximately 25 adjunct online faculty and planned/implemented weekly team meetings that incorporated a professional development component; also completed annual reviews for each of the adjunct faculty; courses taught: Educational Research (Doctoral course); Creativity, Inquiry, and Innovation (Doctoral course); Current Issues in Literacy (Master's level course); Differentiated Instruction and Learning Theory (Master's level course in Special Education)

## **2000 - 2014**

Area Coordinator, Special School District of St. Louis County, Town & Country, Missouri; supervised special education staff including speech-language pathologists, OTs, PTs, literacy coaches and data coaches. Responsible for planning, implementing and evaluating professional development to special educators (including 400+ SLPs) across 22 partner school districts from 2008 to 2014.

## **1996 - 2014**

Adjunct instructor, University of Missouri-St. Louis, St. Louis, Missouri; Courses taught: Analysis and Correction of Reading, Disabilities; Speech and Language Issues; Literacy Practicum; Learning Disabilities

## **1989 - 2000**

Speech-language Pathologist, Special School District of St. Louis County, Town & Country, Missouri

## **Grant Activity/Awards:**

Inducted as Class of 2024 Professional Member into the National Academies of Practice, Speech-Language Pathology Academy, March 16, 2024.

Grant: “The Effects of Systematic Teaching of Yes/No to Promote Self-Advocacy in Young Autistic Learners”, research grant proposal submitted spring 2023 to the Organization for Autism Research; \$40,000. This two-year grant will support research that will evaluate the efficacy of an innovative neurodiversity-affirming instructional protocol to increase independent communication skills in autistic preschool children. Grant submitted but not funded.

Grant: Inclusive Practices Grant (SLU), \$2000 for 9 months; PI; worked as an interprofessional research team with OSOT colleagues in the Doisy College of Health Sciences to develop a compendium of resources for the College to use in planning, implementing, and evaluating inclusive practices at the College level. The resources compiled were based on a needs assessment/survey data collected from faculty and students in the college.

Grant: SLU Rapid Response COVID-19 Grant (~\$10,000)-Summer 2020; funding requested for five months; “COVID-19 and Student Resilience: A Blessing in Disguise?”; grant funded

Faculty Induction into Alpha Eta Honor Society, November 9, 2021; Secretary – 2023-present

Promotion to Associate Professor (NTT), June 2022; Doisy College of Health Sciences

Acceptance into the ASHA Faculty Development Institute (Award), September 2019 (by invitation only) – one week: developed research proposals and carried out departmental-level

research on the following topics: interprofessional education/interprofessional practice (IPE/IPP) and evidence-based practice.

Awards for Continuing Education (ACE) from the American Speech-Language Hearing Association on December 31, 2003; January 30, 2007; October 16, 2008; March 25, 2011; June 25, 2015; January 30, 2017; July 22, 2019; November 3, 2021; and June 12, 2023.

Grant: SLP Students Using CLD Coursework and Clinical Experiences to Specifically Serve Children in Poverty (US Department of Education)-2018; funding requested: \$957,788.00; grant submitted but not funded [PI-Dr. Deb Hwa-Froelich]; multi-year grant

Grant: Can Student Resilience Be Taught? (American Speech-Language-Hearing Association); funding requested: \$5000 for nine months; grant submitted but not funded [PI-Dr. Mitzi S. Brammer]

Grant: Interdisciplinary Collaboration in Development of Assessment Center (Saint Louis University Spark Micro-grant); funding requested for one semester: \$500; grant funded

Grant: National Endowment for the Humanities (NEH) Summer Stipend Grant (submitted fall 2019) (National Endowment of the Humanities); funding requested for three months: \$6000; grant submitted but not funded
